

# Creating Exemplary Pharmacy Practitioners through Community-Engaged Residency Training

Jennifer L. Seifert, RPh, MS; Kristin A. Casper, PharmD, BCACP; Kay Bahrey, PharmD;  
Kristine Mason, PharmD; Laura Rowley, PharmD; Kelsey Schmuhl, PharmD

## OSU Residency Program

- Commenced in 1996
- Accredited by American Society of Health-System Pharmacists and American Pharmacists Association
- Trained 119 residents throughout all college programs
- Supported through partnership with OSU College of Pharmacy and area practice sites
- Residency graduates practice across the country in community pharmacies, ambulatory care clinics, health systems, academia, and industry
- More information available at [www.osupharmacyresidency.com](http://www.osupharmacyresidency.com)

## Community Partners

- Independent pharmacy in downtown Westerville, OH
- Provides medications, counseling, compounding, immunizations, medication therapy management, diabetes care, and hormone therapy consultations

Charitable Pharmacy  
of Central Ohio  
BRIDGING THE GAP

- Charitable pharmacy serving uninsured and underinsured in Franklin County
